Dear Applicant

Welcome to Wimbledon Guild!

Wimbledon Guild is going from strength to strength and we are looking for a number of trainees/volunteers to join our Talking Therapies team. Please read the Person Specification carefully before following the instructions and completing the Application Form (no CV's).

Our mission is 'to provide people in Merton with help and support in times of need' and we achieve this through three key strategic objectives:

- Reducing social isolation and loneliness
- Help people who are experiencing difficulties
- Enabling older people to be active and healthy

We meet these objectives through a diverse range of services, which we are constantly developing in response to local need and local aspirations. We collaborate closely with partners in the statutory and voluntary sector and with a thriving group of volunteers. Our Talking Therapies are well known and highly regarded in the local community and we are a BACP Accredited Service.

We are only able to offer specific supervision group times, so it is important before you complete an application that you ensure you can offer one or more of the times listed on our website. We will ask you to indicate this on the application form.

Interviews take place on a rolling monthly basis and we will let you know if you are not shortlisted.

Kind regards,
Claire
